Poker, Golf and Checkers When Mixed With Baseball Is Bad Diet, According to Manager John J. McGraw—Ritchie Begins Training To-Day.

JOHN McGraw has given out the mandate that poker, checkers, golf and all similar excitement must go. From this time on the Giants are to give all their attention to baseball. Poker is likely to keep players up late at night. Checkers overworks their brains. Golf develops the muscles that lift a Scotch highball rather than the curved ball throwing muscles. Running an automobile is a waste of time while on the ball field there is no speed limit. There's too much solid ivory around a pool table. Solid ivory and baseball don't go together. Football is likely to deprive any ball player of too many arms or legs.

It is rather difficult for a mere layman to follow the logic of that Western Judge who has just given a "decision" making permanent an injunction against the Federal League's tampering with National League ball players in his city.

The Judge gives out that the National League contracts under which players work are "void because they lack mutuality." Yet he rules that the Federal League agents are "void" because they make offers to players who have signed these "void" contracts.

A "void" contract being no contract at all, legally, how can it establish "property rights"?

WILLIE RITCHIE will be in San Francisco to-morrow in time to begin his local training for the fight with Tommy Murphy on April 17th. The lightweight champion, who has been resting at a mountain resort in Colorado, says that he expects to be in first class condition when he meets Harlan Tommy. He intends to win with a knockout as quickly as possible.

Ritchie may find that knocking Tommy Murphy out quickly is more of a task than he thought. Tommy Murphy is an experienced old-timer. He has shown unexpected ruggedness in all of his long Western fights. Tommy always takes good care of his condition, so it is quite possible that he has been fighting a number of years. Tommy's showing against Paddy McFarland didn't indicate what he might do against a light weight in a twenty-round fight. McFarland wasn't a lightweight or a waterweight the night he made such a show of Tommy in the garden. He was a middleweight, and should have been fighting Eddie McGearty or Mike Gibbons. Tommy was overweighed himself and a little fat, but he looked about half the size of McFarland's. Their Frisco fight McFarland used Tommy for a punching bag for ten or twelve rounds, after which Tommy came along strong, and in the ninth and twentieth had McFarland distressed and hanging on to avoid punishment. This suggests the possibility that the much-disappointed Willie Ritchie if Willie expects to make it a short fight.

Murphy went West a week ago. He trained quietly in Flatbush before going, and he has been in the ring, fully confident. "I've been waiting a long time for this chance," he said the day he went away. "When I come back I'll bring that title along."

Murphy thinks there's no chance that Ritchie will be able to stop him, and expects to at least outpoint the champion and outpoint Owen Moran and Ad Wolgast in California.

BUILDERS of the Chiffed stand are now holding out for more money. They must have heard Mr. Gilmore's remarks about the "fifty-two million dollars" behind the Federal League.

Anyhow, to be consistent why shouldn't the Feds double wages for carpenters, brick layers, concrete workers and iron men too? They've been a soft mark for everybody else.

CUBAN negro has just died at the age of 120 years, and everybody's talking about it.

Phaw, at 120 Bob Fitzsimmons will be challenging the world and claiming the heavyweight, light heavyweight and middleweight championships.

VILLA claims a monopoly of the moving picture rights in the Mexican scimitars.

Wonder if Villa and his bunch of merry massacre artists are "fighting for the moving pictures?"

Coffey and Flynn Matched For Stadium A.C. Opening

Heavyweights to Met April 23 or 24 at Billy Gibson's New Club—Ray Bronson Quits the Game.

By John Pollock.

JIM COFFEY, the "Dublin Giant," who shows improvement in every contest that he engages in, and Jim Flynn, the Pueblo heavyweight, who recently fought Jack Dillon a terrific ten-round draw in Kansas City, were signed up to-day by Billy Gibson to meet in the main bout of ten rounds at the opening show of the Stadium A.C., which will be held in the St. Nicholas Hotel, in West Sixty-sixth street, either on the night of April 23 or 24. Flynn had three weeks of training at Hot Springs before he came to this city, and he claims he is in good shape again to put up a hard battle. Billy Johnson will referee the contest.

Ray Bronson, the Indianapolis welterweight, who is in Australia now, has quit the ring for good. He sent a cablegram to Tom Andrews, the light promoter of Milwaukee, saying that as he was defeated by Matt Wells at Sydney, he had decided to retire from the game. He has cancelled the contract he had with "Snowy" Baker for other bouts there.

Johnny Dundee of this city and Charley "Kid" Jones, the Philadelphia fighter, have been secured by Jack McGuigan to meet in a six-round bout at the National A.C. of Philadelphia next Saturday night. Thomas boxed in Paris with good success.

The gross receipts of the twenty-round draw fight in San Francisco on Friday night between Jimmy Clabby of Milwaukee and Billy Murray, the promising middleweight of California, amounted to \$10,458. Clabby received \$3,165.90, while Murray drew down \$2,638.25.

Tom O'Rourke will stage three ten-round bouts at the National Sporting Club show to-night. In the main go

Johnny Marto and Young Otto will swap punches, while in the other bout Al Dewey of Wilkes-Barre, Pa., will meet Gene Sullivan of Montana, and Willie Saunders will go against Jimmy Murray.

Kid Williams, who fights Champion Johnny Coulton for the bantamweight title at Vernon, Cal., on June 9, has signed articles calling for a ten-round bout with Dutch Brandt of Brooklyn at the Broadway Sporting Club of Brooklyn on Tuesday, April 14. Williams also fights Louisiana in "Philly" to-night.

The management of the Olympic A.C. has changed hands again, and Paddy Donnelly of Harlem will conduct the shows there in the future. At to-night's entertainment at Lester ten meets Fighting Kennedy, Al Britton, John Jones, Jack Reed, and Irving Margolis fights Benny Leonard.

As Ad Wolgast's injured hand will be well in two weeks, his manager, Tom Jones, has booked him for two fights. He meets Johnny Tillman of Minneapolis at St. Paul on April 23, and on April 28 he boxes against Denny Smith at Flint, Mich. Wolgast will receive \$1,750 for boxing Tillman.

George Chip of Pittsburgh, who claims the middleweight championship title, will make his first appearance in a bout in this vicinity to-morrow night. He will meet Al McCoy at the Broadway Sporting Club of Brooklyn.

Tom McCardle, matchmaker of the fairmont A.C., to-day arranged two ten-round contests for the club's next show on Saturday night. In the first Sailor Maher will exchange punches with Fighting Kennedy, while in the wind-up Johnny Harvey of Harlem will mix it up with Walter Mohr of Brooklyn.

Matty Baldwin of Boston and Knockout Brown, the local fighter, have signed articles of agreement calling for them to meet in a ten-round contest at the Montreal (Can.) A.C. on April 11. Both lads have had two hard battles already, and should put up an interesting go this time.

Johnny Howard, the promising light heavyweight of Bayonne, N. J., has been matched to tackle Jack Driscoll, the Brooklyn heavyweight, for ten rounds at the Broadway Sporting Club of Brooklyn on Saturday evening, April 11.

Sport Queries Answered

(1) They fought at New Orleans and both claimed victory. (2) A loss. Smith won the decision over Moran in a twenty-round bout in Frisco Dec. 28, 1912.

To the Sporting Editor:

"Nonpareil" who lost his title to Bob Fitzsimmons? Was his name Dempsey or Kelly? I have seen the question answered as Dempsey, but people who worked with him in the cooperative in Williamsburg insist his right name was Kelly, and that his step-father's name was Dempsey. OLD TIMER.

His name was Kelly. Poor Jack Dempsey's father died when Jack was only a spark of a gosson and his mother—bless her soul—married again. The man's name was Dempsey, and the lads, Jack and Martin, grew up as Dempseys, and they were a credit to the name. If you want any more information call up Jack Skelly at Yonkers. He knows more fighting lore than any man ever. There are sayings that he wrote the 112-verse song of the battle of Donnelly and Cooper.

\$10,000 MOTOR BOAT PRIZE FOR LONG RACE TO SAN FRANCISCO

Will Start From Here for Western Coast, Going by Way of Panama.

SAN FRANCISCO, Cal., April 6.—Motorboats will race over the longest course ever laid for craft of their class when they start from New York to reach San Francisco by way of the Panama Canal and win \$10,000 in prizes, the authorization of which was announced to-day by the Panama-Pacific Exposition. The start of the race will be at the Exposition grounds when the motorboat regatta, to be held in October, is in progress.

The boats entering the contest must have a minimum length of 65 feet on the water line. United States authorities have to be satisfied by detailing two or three destroyers or revenue cutters to follow the racers on the Atlantic and Pacific coasts to lend assistance to any disabled craft and assure security to the contestants.

Frank Dennis of New York, former owner of the motorboat Carolina, which won the Reeplicity race from New York to Halifax two years ago, has signified his intention of building a boat at a cost of \$25,000 to \$30,000, conditional on the guarantee that there will be at least two other boats entered.

The contest will be under the management of the American Motorboat Association.
